

Offers for immediate sale on behalf of Swick Mining

1 x Atlas Copco ROC L8 Blast hole drill rig

Details	1 x used Atlas Copco ROC L8 surface drill rig Serial No: AV003A845 showing approx 9000 hours set up for blast hole drilling. The rig has had some set up done for conversion to RC drilling. The rig was purchased at 1,500, has been very well maintained and has had significant recent work to make it ready for a hire project so is in a work ready condition without drilling consumables.
Location	Available for sale ex Perth Western Australia on an "as is where is" basis.
